A LOVE STORY

It is our great pleasure to introduce to you a very special young couple:

Mr. & Mrs. Luis Milán

We are very happy and excited to share this wonderful love story and the testimony of this wonderful young couple.

Luis started to come to the Saturday Bible Study in 1995, the first year we started to work with Pastor Martin and his wife Claudia when they were in a little church in Cañon del Padre.

Luis came with his little sister Leslie (who is now the first of our Mexican children to go to University.)

Xochitl came with her mother, hermana Marguerita who was our first cook in that location... and she still cooks every week.

Luis fast became interested in the drum set that was in the church. He would practice on them, sometimes to the detriment of our ears.

Xochitl would work with her mom and also play with the other girls her age.

After a while Luis became our drum player and led the kids in worship every Saturday. He also plays the guitar and he continues to lead in worship every Saturday.

Xochitl started to help with the smaller kids and then she became one of our teachers with the older kids. After a time, they joined the Youth Group and then the Young Adults Program in Centro de Amor.

Eventually, they fell in love. Luis works for a Christian ministry in San Diego and Xochitl is a school teacher. But, every weekend they are two of our most valued children workers. They are in the process of being trained to take responsibility for the Sunday children's program in Terrazas del Valle.

**Please pray for this young couple.
They are both precious and very
dedicated to the Lord's work.**
